# 'Life-saving' new service to help those in remote locations

by Anders Larsson
anders@viewnews.co.uk

PEOPLE critically injured in remote Somerset locations can receive blood transfusions at the scene thanks to a new "life-saving" service.

The service will see Dorset and Somerset Air Ambulance's operations centre at Henstridge Airfield having blood delivered daily by volunteer riders and drivers from charity Devon Freewheelers' emergency response team.

The blood will be administered at the scenes of emergencies by air ambulance paramedics.

The arrangement means that Dorset and Somerset Air Ambulance joins nine other air ambulance services across the UK to carry blood products onboard their aircraft and rapid response vehicles

Dorset and Somerset Air Ambulance Chief Executive Officer Bill Sivewright said: "To the lay person, the decision to carry blood in the air ambulance seems very straightforward.

"However, in reality, it takes an enormous amount of careful consideration and detailed planning by a number of organisations to make it happen. Bringing together the experience and expertise of the air ambulance, Dorset County Hospital, the ambulance service and Devon Freewheelers and the generous support of the Henry Surtees Foundation epitomises what can be achieved through good collaboration.

"The whole really is much more than the sum of its parts and our patients will bear witness to that in the years to come."

Devon Freewheelers started carrying blood for Dorset and Somerset Air Ambulance in late April, and the official launch took place on June 9th.

■ TEAM WORK: Representatives of all agencies involved in the blood supply arrangement

Devon Freewheelers chief executive and founder Daniel Lavery said: "Blood is crucial for the helimed team so that they can carry out emergency blood transfusions for patients who suffer major trauma.

"We've been providing this service for the NHS in the South West for years, but this new function means that even those who have accidents in remote locations can receive life-saving blood as quickly as possible.

"We've worked hard to secure the funding for this service from the Henry Surtees Foundation, so it's a pleasure to now be working alongside Dorset and Somerset Air Ambulance.

"Since we started operating the service it has already saved a number of lives, which demonstrates how critically important it is."

Getting blood to patients is essential in helping save lives, as it replenishes their blood volume, enabling oxygen to get to their vital organs.

This gives patients a better chance of survival and buys the air ambulance staff the time needed to get patients to hospital for treatment.

The air ambulance has critical-care specialist paramedics on board who have specific training and qualifications to administer emergency blood.

Devon Freewheelers pick up the blood from the Transfusion Laboratory at Dorset County Hospital (DCH) in temperature-regulated 'Golden Hour' boxes which keep the blood under 6°C for up to 72 hours.

"If the box is unopened at the end of a 48-hour period, it will be collected by the Devon Freewheelers and returned to DCH where it will be reissued and utilised within the hospital.

"Similarly, if blood is used during a shift, the Helicopter Emergency Medical Service Desk (HEMS) contact the DCH Transfusion Laboratory and Devon Freewheelers will deliver additional stocks within a matter of hours.

## AXMINSTER

### 'I'm not too busy to do my best for Axminster'

**ONE** of Axminster's most experienced councillors and leading community leaders has hit back at criticism that he is too busy to represent the town on three councils.

Former mayor Andrew Moulding turned 70 last week but has just been elevated to chairman of Devon County Council (DCC).

He is also the deputy leader of East Devon District Council (EDDC) and a senior member of Axminster Town Council.

In addition, he is heavily involved with many local organisations, including Axminster Heritage and Cloakham Lawn Sports Centre.

In recent weeks a number of people have questioned whether he is able to effectively represent the town when holding so many posts.

The issue was highlighted last month when his promotion to chairman of DCC was announced.

But Councillor Moulding is adamant that he has got the time required and that his workload has no detrimental effect on the the town and its residents.

For example, he says that the workload as DCC chairman is far less than that of his previous high-profile role at County Hall, as Place Scrutiny Committee chairman.

He said: "Being chairman of the Place Scrutiny Committee carried a lot of responsibility and involved a lot of time spent on background papers.

"I'm not in that role anymore, and I only sit on the Standards and Procedures committees, which don't meet very often.

"Being chairman of DCC is more of a ceremonial/civic role, with many of the events I attend being during weekends.

"It is about time management, a well-organised diary and prioritising."

Mr Moulding, a Conservative, first became a councillor in 1987 when being elected on to EDDC and Axminster Town Council.

Only last week it was announced that he has been appointed to EDDC's Axminster Regeneration Board which, in its own words, will "put the zing into revitalising Axminster".

# From the editor's chair

## Andrew will do Axminster proud

**CAN a councillor serve three masters? That's a question which has been posed on several occasions in the past few weeks – ever since "Mr Axminster" Andrew Moulding rose to the dizzy heights of chairman of Devon County Council.**

**I've known Andrew for most of my adult life. I've played sport with him and against him. His contribution to the community life of Axminster over the years has been unquestionable. Everyone knows if you cut Andrew, he bleeds Axminster.**

**Approaching his three-score years and ten, an age when most men of his age spend as much time as they can on the bowling green, in the garden or down the pub, Andrew is busier than ever.**

**He's one of those blokes who likes to keep busy and get things done. And he's done many things for Axminster. Indeed, Axminster has been his life.**

**In recent times Andrew has become a bit of a political animal. A former mayor and town councillor, he also serves on East Devon District Council as deputy leader and has been a county councillor since 2009, holding the high profile role of chairman of one of the most important committees at county hall.**

**He stands as a Conservative and appreciates that some criticism will always come when you go down that road. Mostly, he takes it on the chin.**

**I've written stuff in this column in recent years about the Tories' grip on East Devon and whilst I am sure he disagrees strongly with my viewpoint on his Conservative colleagues, he always treats me and other members of the Press in a polite and respectful manner. Not all of them do.**

**Recently, Andrew has come in for a bit more stick because he's now chairman of Devon County Council. That's a great honour for someone who has put so much into local government over the years.**

**But can he represent the people of Axminster properly on three councils? The fact is, of course, that county council chairman is a civic position and despite the hundreds of events he will attend during his term of office, it's probably not as time consuming as chairing one of DDC's most important committees.**

**Will it be his swansong in local government.? Who knows? But he deserves the honour and I wish him well. I am sure he will do Axminster and Devon proud.** ***PHILIP EVANS***

## EAST DEVON

### Swire launches attack on 'independents'

**EAST** Devon MP Hugo Swire has launched a stinging attack on local activists who claim they have no political allegiance.

In a 2000-word blog post on his website, entitled "How Independent are the Independents?", Mr Swire gave his take on why so many of the Police and Crime Commissioner elections were won by Conservatives or Labour candidates instead of independents, as well as questioning the independent nature of the East Devon Alliance (EDA) – East Devon's newest political party who took East Devon District Council by storm last year winning nine seats in the elections.

Mr Swire wrote: "The East Devon Alliance is a local group of supposed 'independents' yet they have banded together to form an 'alliance'.

"They now sit on East Devon District Council as a grouping. There is nothing wrong with that, after all, the SNP, once the underdog in Scotland, is now a significant force at Westminster, it is the natural evolution of how a party gains ground.

"But it is disingenuous for the East Devon Alliance to suggest they are all stand-alone councillors when they have core values and policies; policies albeit that have been tied irrevocably to a single geographical area.

"They are also collectively anti-Tory, again nothing wrong in that, but it means they are not exactly independent thinking."

## SEATON

### Anger over boarded up beack kiosk

**A SEATON** resident is fuming that a beachside kiosk and café in a prime location is not trading weeks into the lucrative tourist season.

East Devon District Council (EDDC) has confirmed that the selected bidder for the lease of Seaton Hole Kiosk (a.k.a. Cliff Side Cabin) pulled out.

Simon Wellington lives next to the kiosk, and said: "I cannot tell you how angry I am that this block is sitting empty, with thousands of pounds being spent on the adjoining toilets, and no clientele at the cafe.

"The amount of turned away trade is dreadful. EDDC owes it to us to keep this cafe open and stop this area slipping away due to lack of care and attention."

Mr Wellington has also made a formal complaint to EDDC about the bidding process for the lease.

He assisted an unsuccessful bidder, and said: "By the time we had a response from EDDC, we only had three days to make a business plan and propose a rent.

"We felt the whole process was flawed and gave our reasons. We were also told that the cabin would be open within weeks and here we are a long time later in June and there is no sign of a tenant."

## SOUTH SOMERSET

### 'Life-saving' new service launches

**PEOPLE** critically injured in remote Somerset locations can receive blood transfusions at the scene thanks to a new "life-saving" service.

The service will see Dorset and Somerset Air Ambulance's operations centre at Henstridge Airfield having blood delivered daily by volunteer riders and drivers from charity Devon Freewheelers' emergency response team.

The blood will be administered at the scenes of emergencies by air ambulance paramedics.

The arrangement means that Dorset and Somerset Air Ambulance joins nine other air ambulance services across the UK to carry blood products onboard their aircraft and rapid response vehicles.

## QUEEN'S BIRTHDAY HONOURS LIST 2016

**TWO** local residents have been honoured on the Queen's Birthday Honours List.

Sidmouth's Fay Wilson-Rudd has been awarded the MBE (Member of the Order of the British Empire) for services to the Church of England and to mental health care in Somerset.

Margaret Lewis of Honiton, a volunteer at the town's Allhallows Museum, has been awarded the BEM (British Empire Medal) for services to the community in the town.

Also, Sidmouth born Naomi Thomas, who now resides in Wellington, was given a BEM for charitable services to terminally ill people.

Ms Thomas is the founder of Wedding Wishing Well Foundation which helps to organise and fund weddings for terminally ill people.

## HONITON

### EDDC strategy on new sport pitches

**HONITON'S** desperate need for sport pitches could be coming to an end after East Devon District Council announced plans for a consultation with the local community to find out what they want.

The consultation, which also involves the relevant local organisations, will hear the public's views about draft proposals for additional sport pitches to meet the growing demand of Honiton.

The need to identify sites for additional sports pitches is an important part of the EDDC's Playing Pitch Strategy (PPS), which it adopted in June 2015.

Consequently, East Devon's planning policy team has produced a draft Sports Pitch Strategy for the town, which recommends a combination of new sites and improvements to existing venues.

## COLYTON

### Tradesmen complete cycle ride

**FOUR** Colyton tradesmen have completed their sponsored cycle ride from John O'Groats in the far north east of Scotland to Land's End, Cornwall – just short of 1,000 miles.

Drainage engineer Dave Selley, electrician Matt Craker, builder Doug Board, and plumber Ian 'Pipes' Woodhall set off on May 30th and completed the ride in 14 days, arriving at Land's End on Sunday.

They took on the challenge to raise funds for FORCE, a local cancer charity based in Exeter at the RD&E Hospital, and have made a total of almost £6,000.

The cyclists were joined by friends and family at the finishing line.

# State of the art baby unit opens at hospital

■ **OPEN: Pictured from left, Dr Michael Fernando, consultant paediatrician; Dr Paul Heaton, consultant paediatrician; Neil Holloman, project manager; Anna Cannon, matron; James Kirton, head of fundraising; Sam Langford, Josh Langford, Anna Langford and Mya Langford who opened the unit; Paul Mears, chief executive; Sarah Cherry, community fundraiser; Paul von der Heyde, chairman; and Lorraine Slack, sister**

A BRAND new state-of-the-art special care baby unit (SCBU) has been unveiled at Yeovil District Hospital, thanks to the fundraising efforts of the Flying Colours Appeal.

The unit was opened on Thursday, June 2nd by Sam and Josh Langford, whose twin daughters, Anna and Mya, were born in the previous SCBU in 2013 and have been staunch supporters of the appeal from the beginning.

Sam said: "I had my twin girls at Yeovil Hospital. The team on the special care baby unit looked after them really well.

"As a way of saying thank you, I decided to do some volunteer work for Yeovil Hospital Charity. I wanted to help the hospital to create a bigger unit with much more space for parents.

"It was cramped in the unit although the staff were amazing. I found it difficult because there were so many parents in such a small space.

"Most of the parents in the unit were anxious about their newborn baby and wanted more than anything to take them home. This can make it a stressful place to be at times, which is difficult when you need some peace and quiet to feed your baby. It is also difficult for those parents who have been given bad news, there wasn't really anywhere private for them to go."

In total, more than £600,000 was raised which was used to completely refurbish and build a brand new SCBU.

James Kirton, head of fundraising for Yeovil Hospital Charity, said: "We have been overwhelmed with support for this appeal and would like to thank every single person who has donated money or organised an event.

"The charity's aim is to make a difference for patients and this new unit is going to have an enormous impact, so thank you to everyone that helped us to make it happen."

The design of the new unit was influenced by responses from existing parents who were asked how the unit could be improved. The design focussed on improving privacy and dignity for families as well as increasing the amount of space for babies and their families.

Lorraine Slack, sister of the unit, added: "This new unit is fantastic and has twice as much space as the old unit offering large, individual bays for both parents to be able to sit with their babies.

"There is also a counselling room for parents to be able to talk to staff about treatment plans, a dedicated family room, and a toilet within the unit for parents so they can be closer to their baby.

"The new equipment is state-of-the-art and gives us the best environment to care for our babies that need extra support when they are born. These changes are going to make a huge difference for the families that use the unit, as well as the staff working there."

Yeovil Hospital's chief executive, Paul Mears, commented: "We cannot thank our local community and donors enough for raising the money to create this fantastic new space for parents and their babies.

"It really is an amazing environment that we are proud to have for any families that may need it in the future. The funds raised by Yeovil Hospital Charity paid for this superb new facility and it just goes to show how generous our local community is."

The new special care baby unit will be operational from next week and is equipped to care for eight babies.

A special care baby unit is a specialist ward that a baby will be admitted onto if it requires medical help after birth. Yeovil District Hospital cares for between 200-300 babies every year on this unit.

The Flying Colours Appeal was organised by the hospital's official charity, Yeovil Hospital Charity, which raises funds to make a difference for patients at Yeovil Hospital.

There are around 1,600 babies born in Yeovil District Hospital every year.

# Councillors praise housing scheme

SOUTH Somerset District Council (SSDC) members praised an affordable housing scheme in Horton, near Ilminster, following a site vist.

They recently paid a visit to Hastoe Housing Association's new rural housing scheme on Shave Lane in Horton.

The housing scheme was completed in November, and the visitors from SSDC talked to residents.

The housing scheme on Shave Lane is the second phase of the overall development and is made up of six houses for affordable rent; a mixture of one, two and three-bedroomed homes.

SSDC provided a £48,000 grant towards the development of the housing scheme, which has been built for local people in perpetuity on land formerly owned by Somerset County Council.

The homes are built with sustainability and affordability in mind, with all the homes having solar panels that effectively provide free hot water to residents.

Following the visit, SSDC leader Ric Pallister said: "Once again Hastoe have excelled in producing a small rural scheme without compromising on the features that make a house into a home and one that is more affordable for tenants to occupy.

Viewing a first class scheme such as this is always a pleasure but having the opportunity of also learning at first-hand just how much difference the scheme has made to the lives of those now living there was particularly heartening.

"It is schemes such as this that are breathing new life into our smaller villages through meeting the need for young families to stay in their communities and I am delighted that the Council was able to support this project."

Hastoe Group is a leading rural affordable housing specialist and operates on a not-for-profit basis with four subsidiaries (Hastoe Homes, Sustainable Homes, Hastoe Wyvern and Hastoe Capital plc).

■ PLEASED: Residents and visitors mingle at Shave Lane

## Successful year for medical centre friends

THE Friends of Essex House Medical Centre's annual general meeting heard that equipment or donations to a total value of more than £8,000 have been provided.

A spokesperson said: "We have had a very successful year and have made purchases for the surgery, or donated money to them totalling a magnificent £8,232.71.

"We are very grateful to all the people who have supported us and made this possible. We could not do it without you.

"We have sadly had to say goodbye to our treasurer of eight years, Carol Ward. The committee would like to thank her very much."

The friends are looking for a new treasurer and new committee members.

Anyone interested is asked to call Rose on 01460 65374 or Ed on 01460 261230.

# Girls Brigade send Queen a card

THE members of the 2nd Chard Girls' Brigade Company wanted to congratulate the Queen on her 90th birthday, so decided to send her a very special card.

The girls formed the number 90 and the photograph was then incorporated into a big birthday card.

Captain Mandy Slingsby said: "They are hoping that Her Majesty will be pleased to receive the card and hopefully they will get an acknowledgement."

The company would love more girls to join them each week and invite any girl aged from four-years-old to come along to Chard Methodist Church on Monday June 20th from 6pm - 7.30pm for a cake and craft evening.

Mandy added: "It is a great opportunity to meet everyone and have a taste of what they get up to (girls need to be accompanied by an adult)."

More information is available by e-mailing Mandy at manslings@aol.com

■ A SHORT service started the celebrations at The Church of the Good Shepherd in Chard, followed by a strawberry cream tea. The church's annual cream tea usually takes place at the end of June, but was held earlier this year to celebrate the Queen's birthday.

■ THE forecourt at Ilminster's Tesco branch was very busy when the Queen's 90th birthday was celebrated. Held on Sunday, June 12th, the event was a joint effort by the supermarket and Ilminster Town Council. Apart from enjoying refreshments and socialising, those attending were also entertained by Ilminster Majorettes (pictured above). Below, visitors to the classic car show in Ilminster also had the opportunity to celebrate at a tea party organised by local Rotarians.

TWO Crewkerne organisations joined forces to double the fun at a party to celebrate the Queen's 90th birthday.

Some 70 people, many dressed in costumes from the 90 years that span the life of the Queen, attended the party at the Henhayes Community Centre on June 3rd.

The birthday bash, as it was called, was jointly organised by Crewkerne & District University of the Third Age (U3A) and the trustees of the community centre, and included a cabaret from Robert Craig and music from local band Chiff Chaff.

MC was Jan McNeill and there was a buffet, followed by strawberries and cream.

The prize for the best costume went to Sue Miller who came as a hippie. Denise Smith was a positively regal lady-in-waiting in her lilac ball gown, tiara and long white gloves, while Teresa Bond was – what else! – a Bond girl dressed in red.

The hall was decorated in red, white and blue bunting, and there was a Union Jack theme to the table decorations made by Mary Fowler.

U3A chairman Anne Bright, who proposed a toast to the Queen, said: "Everybody seemed to have a good time, joining in with the singing and dancing, and there were lots of smiles."

She also thanked the U3A's Social Secretary Ann Needle for all her hard work in organising the venue for the party and in selling the tickets.

# Special award for U3A stalwart

MAGGIE Davies has been presented with an award recognising her contribution to Crewkerne & District University of the Third Age (U3A) as leader of the singing group for more than 10 years and also her great courage and fighting spirit.

U3A South West regional trustee Diana Holdsworth made the presentation of a certificate to Maggie, who was accompanied by her husband Peter, at the group's annual meeting at Henhayes Community Centre.

She said: "Maggie has run the singing group with dedication and determination, but always stressed that singing is for fun. Under her leadership it has gone from strength to strength."

"Despite a long period of illness and gruelling treatment she has refused to let this affect her fighting spirit and has continued to run the group.

"She is an independent, dedicated and generous lady and we are very proud of her."

The singing group was started soon after Maggie and Peter moved to Crewkerne in 2005. A gifted piano player, she carefully selects the music to suit the interests and abilities of the singers, and often writing out the music and changing the pitch or key to suit them.

As well as the immense care she takes behind the scenes to prepare for each meeting, she has given members of the group lessons about music and how to read music in order to enhance their understanding and performance.

The group meets every other Friday but rehearse more often when they are due to perform. Over the years Maggie and her singing group have entertained thousands of people with their performances at hospitals, nursing homes and fetes in the area, as well as for members of the U3A.

■ SPECIAL AWARD: Maggie Davies receives a certificate from U3A South West regional trustee Diana Holdsworth for her commitment to the Crewkerne branch

■ SPICK AND SPAN: Linda Hamblin organising the refurbished hub

# Community hub given revamp for local families and children

A COMMUNITY hub in Crewkerne is about to re-launch after refurbishment.

Octopus Leisure and Play Family Community Hub is based in Pollard House, off West Street, and is run by Linda Hamblin.

The refurbishment includes a new kitchen.

Linda describes the hub as a community venture which charges to cover overheads.

Primarily, the target group is families with young children.

Her aim is to provide a place for parents and children by offering a choice of activities and services including a crèche, arts, craft play time and other group activites.

Linda, who used to run her own nursey, said: "There are nice toys and lots of fun and games.

"I have a coffee room and, a play room area which can be organised as a sensory room for up to two children at a time.

"There is a DBS registered nursery nurse available on site at all times.

"Sessions can be very good to help with isolation, especially mums perhaps suffering post-natal periods of loneliness."

# Red Hat ladies enjoy floral workshop

THE Lyme Bay Lovelies, a chapter of the Red Hat Society based in and around Lyme Regis and Bridport, enjoyed a session of flower arranging at Combe St Nicholas Village Hall, near Chard.

The ladies booked a private workshop with Somerset tutor Jackie Nicholls from Ashville Design. They learnt how to make beautiful floral cards that they could display either in their homes or give as a gift.

After watching a step-by-step demonstration which included numerous hints, tips and techniques, they set to work learning how to turn their flowers into a fabulous floral design.

Diane Lee, who organised the workshop, said: "The Lyme Bay Lovelies meet once a month for tea/coffee and also organise outings and workshops in the Lyme Regis area and further afield. Whenever we meet as a group, we dress in purple outfits and wear red hats or fascinators. We share a bond of affection, forged by life experiences and a genuine enthusiasm for wherever life takes us next.

"We all agreed that it is never too late to learn a new skill - and Jackie certainly taught us so much, with a few special secrets to improve our flower arranging in the future."

Tutor Jackie said: "To add to such a fun morning, I made sure I joined in and was wearing purple too! These were such a delightful group of ladies who were full of enthusiasm, it was an absolute pleasure to teach them.

"Considering the majority had never been to a flower school before, they all did a fantastic job and should be very proud of their arrangements. A huge 'well done' from me."

# Olé! School goes Spanish for day

CHARD School school taken over by flamenco dancers, conquistadors, bulls and even a gun-toting Mexican during the recent Spanish Day. Pupils made their way around the school going to art, Spanish and music lessons.

In art they made miniature Picasso style self-portraits, coloured in some Miro-inspired artwork and even made Salvador Dali's wobbly clocks.

In music they made maracas, castanets and fans.

A school spokesperson said: "The highlight was undoubtedly the tapas picnic at break time where the pupils tried many new foods including olives, sun dried tomatoes, spicy peppers, Spanish omelette, chorizo and Serrano ham.

"This was topped off with a prize-giving assembly featuring the guitar group playing the specially written 'omelette song'.

"The children had a great day celebrating Spanish culture, language and traditions."

# Salon supports St Margaret's Hospice

■ **SUCCESS: Becky Massey (third from left) of Pure Hair & Beauty with Jean Morris from Lloyds Bank and Sharon Pavey of St Margaret's Hospice, plus salon staff**

STAFF and customers at Pure Hair and Beauty in Chard have raised £905 for St Margaret's Hospice by having a cream tea.

The event involved all salon staff and was supported by generous customers and match-funded by Lloyds Bank in Chard.

Clients made the scones, Rodders donated cream and jam and Yorkshire Tea donated the tea.

There was a prize draw with all prizes donated.

Salon owner Becky Massey said: "Thank you to all our customers who attended and Lloyd's who match-funded, customers and all staff for their hard work on the day."

St Margaret's community fundraiser Sharon Pavey added: "This is an astonishing amount to raise in just one day and shows the massive support in the community for St. Margaret's Hospice. Thank you to everyone who was involved in this amazing day."

St Margaret's is currently running the Time for Tea campaign where any individual or organisation can organise a coffee morning or afternoon tea and help raise funds.

The hospice needs to raise £7.5million each year to deliver its care.

# Holyrood cricketers head to finals

THE Holyrood Academy Under-13 girls cricket squad in Chard followed-up their success at the preliminary Chance to Shine cricket competition by sweeping all before them at the south playoffs.

The tournament featured the four best schools from the south of the county.

Holyrood defeated Castle School from Taunton in the semi-final and then Kingsmead School, Wiveliscombe, by 23 runs in the final.

The strong batting of Maddie Crouch and Chloe Grinter was supplemented by very accurate bowling by Kitty Knight, Ellie Hull and Zoe Hunt.

The squad now progresses to the County Finals on June 30th where they will do their best to qualify for the national finals.

Coach Simon Jenkins said: "This is a great achievement for a very talented U13 squad, made all the more impressive by the fact that the majority of this group are in fact from Year 7 and are playing against Year 8s."

## Cricket coaching at Neroche

THE children at Neroche Primary School are enjoying free cricket coaching sessions as part of Somerset County Cricket Club's Chance to Shine Scheme.

Broadway and Horton Cricket Club has provided a coach and 30 children a week are enjoying the fun cricket taster sessions.

Flynn, aged 8, said: "I love cricket, lots of the games we play are really good fun, everybody has a great time. My batting is getting really good."

Headteacher Connel Boyle added: "I am so pleased for the children that we joined this inspirational scheme. "When the sessions started we had 14 children join initially, but word of mouth spread across the school very quickly and within two weeks we now have 30 children taking part.

"The spirit of cricket, teamwork and fun is marvellous to watch and we have just entered a full girls and mixed cricket team into local competitions for the first time.

"I really do hope as a school we can continue to develop closer links with Broadway and Horton Cricket Club for the benefit of all children in the Ilminster area."

Mr Boyle also revealed that Broadway and Horton Cricket Club, based at Pound Road in Broadway, is launching its new youth section on Thursday evenings free of charge.

The club will be offering "Give it a go" sessions to children under 11.

# Police and Crime Commissioner relaunches Community Action Fund

AVON and Somerset Police and Crime Commissioner Sue Mountstevens has relaunched her Community Action Fund, with £200,000 up for grabs annually communities and voluntary organisations.

During her first-term as Police and Crime Commissioner she awarded a total of £600,000 to more than 180 projects from skateparks to street pastors.

The Commissioner's Community Action Fund touched the lives of thousands of people and Sue Mountstevens is hoping the excellent work will continue.

She said: "On a daily basis I experience the extraordinary work taking place within local communities and my Community Action Fund is there to provide these projects with some additional support.

"I never imagined the level of interest that we saw over my first term and it's been a privilege to be able to support such a variety of projects and initiatives which are clearly making a difference on the ground in our local communities," she added.

The fund was relaunched on June 1st and the commissioner said: "I am delighted to be able to re-open applications and I look forward to seeing and hearing about all the things you do for your community.

"By working together we can make improvements to make Avon and Somerset an even safer place to live."

The fund is administrated by the Police Community Trust. Bea Salter, Chair of the Police Community Trust, said: "The trustees have had a very effective co-operation with the commissioner for the past three years.

"Funds from her community action fund have been distributed to a wide range of interesting and deserving organisations.

"It is clear to me that people have a real desire to make a difference across Avon and Somerset.

"Whether it is mentoring young people, providing emotional and physical support for victims or innovative ways to tackle anti-social behaviour, people care about their communities.

"The trust looks forward to receiving many more innovative applications over the next four-years."

■ RELAUNCH: Trust Chairman Bea Salter and PCC Sue Mountstevens

The Commissioner's Community Action Fund allows communities and groups to apply for grants of up to £5,000 to tackle issues relating to the priorities set out in the Police and Crime Plan for Avon and Somerset.

Applications are welcome throughout the year with decisions made quarterly by the trustees.

## London Marathon runners raise £24,000 for hospice

ST Margaret's Hospice has praised its 13 London Marathon runners, who raised £24,000 between them.

Runners included Mike Davis, Mark Llewellyn, Amy Muxworthy, Clive Wakely, Matt Woodford, Nina Taylor, Nathan Warren, Leanne Rolls, Colin Webber, Nick Smith, Emma Flexon, Jane Brookhouse and Robert Perry.

St Margaret's events project lead, Sonia Bateman, said: "It's fantastic that we had 13 runners this year and we'd like to thank them for their hard work, dedication and commitment, both training for the event and through their fundraising.

"The £24,000 that they have raised is incredible and it goes to show 13 isn't always unlucky."

It costs £10million a year to provide all of St Margaret's services across Somerset and they are reliant on the generosity of the public to make up the majority of this cost. Anyone who takes part in an event while raising money, really does make a difference to the 3,200 people St Margaret's supports each year.

The public ballot for next year's London Marathon is now closed but you can apply to run for St Margaret's Hospice via one of their Gold Bond charity places.

For more information, visit www.st-margarets-hospice.org.uk, or email events@st-margarets-hospice.org.uk

# AXE VALE FESTIVAL

## *A Great Day Out for ALL the Family!*

WELCOME to the 22nd Axe Vale Festival. We hope you enjoy the show. Over the years the show has changed and I remember the 1st year we did not have a Food Hall, now it is a flourishing busy marquee which many visitors enjoy. I am sad to say the Axminster Horticultural Society felt unable to get together enough help to run their marquee this year. We will miss the large array of produce and craft that the people of Axminster and surrounding district have produced. Many organisations find it difficult to recruit hard working knowledgeable people that have a small amount of time to put to a project that is trying to make the lives of others better. As Chairman of the Axe Vale Festival we have two main aims- To create a great show for Axminster and raise money for local organisations of the Axe Valley. So if you feel you can put a little into a local organisation it will make a big difference to help many. I would like to thank all the committee and the many helpers who give freely their time and talents. Finally to you our loyal visitors, it is a great pleasure to see you here. Have fun at the show.

Tony Benger

CARE HOME open day CARING COMMUNITIES

# NATIONAL CARE HOME OPEN DAY

## CARE HOME OPEN DAY IS TAKING PLACE FOR THE 4TH TIME ON 17TH JUNE 2016.

## ABOUT THE OPEN DAY

Care Home Open Day is a UK wide initiative inviting care homes to open their doors to their local communities.

Thousands of care homes across the UK take part each year, welcoming the public and arranging events and activities that help to create lasting links between care home residents and their local communities.

This is all about showing people what excellent care homes are really about and how they can be at the centre of local communities, developing relationships across the generations.

We're making some positive noise - and we want you to be part of it!

## WHAT DO WE WANT TO ACHIEVE?

Care Home Open Day is about connecting people! We want to enrich the lives of the UK's care home residents by reminding people that care homes in every community are filled with unique, intelligent and charming characters, and run by special people that really do care.

But don't just take our word for it - we hope you will join us on 17th June 2016 - just click here to find a home near you and see what they're planning for the big day! If you are a care home who wants to join in, then just click on the registration tab at the top of the home page and set up an account.

In the mean time, we need everyone to get involved and help us by spreading the word - just like us on Facebook or share with your friends on Twitter, and together we'll make a difference that lasts!

## OPEN DAY AT VAUGHAN LEE HOUSE CARE HOME

As part of the Care Home Open Day 2016, Vaughan Lee House is opening its doors and inviting visitors to join them for refreshments and a tour of our home.

Karen Roberts Registered Manager at the home, said: "This is a great way to show the excellent services on offer and the fantastic work that goes on at Vaughan Lee House and our home is very much part of the local community. Some people still have misconceptions about care homes so we are keen to dispel any myths and for people to come and have a look around, meet the staff and our residents."

## THE BENEFITS OF OPEN DOORS

Care Home Open Day is an opportunity for care homes to open their doors once a year to their local communities to create links between care home residents and their local communities and to show that care homes are filled with interesting people run by staff who care.

Recent research highlights that where care homes permanently open their doors to the local community, the positive impacts go far beyond creating links and dispelling myths. Residents experience improvements to their well-being with relatives, staff, volunteers, and the home itself also benefiting.

### BENEFITS OF VOLUNTEERS

The evaluation of the Volunteering in Care Homes Project found that volunteers recruited to roles to befriend residents or to support them in social activities has a significant impact on the residents' social and emotional wellbeing.

The involvement of volunteers delivers fundamental socialisation, company and 'someone to talk to'. This includes providing long term one-to-one befriending, help to settle within the home, support in overcoming bereavement and reduced distress and anxiety. This in turn impacts on relatives, offering peace of mind and minimising negative feelings of anxiety or guilt. It is, "someone else to come in and brighten up the day of their relative", [Activities co-ordinator].

For the staff, the involvement of volunteers has a positive impact on their satisfaction with their job (68%), retention (61%), stress levels (71%) and feelings of job security (54%). The reasons for these findings are unclear but one explanation is that volunteers add capacity, in the form of time and skills, in roles that complement, not replace, staff roles.

Volunteers are evidence that the care home is safe, responsive, caring, effective, and well led. Staff in the project recognised that the presence of volunteers could impact positively on their being able to achieve a higher rating from the Care Quality Commission.

The benefits are not all one sided. Volunteering is a reciprocal activity with volunteers gaining in skills, experience and confidence from their involvement. In particular, young people's experience of volunteering can help them to secure a place in employment or further education and some in the project even saw a career for themselves in the sector.

As with Care Home Open Day, those who have a good experience within the home act as ambassadors and share that positive experience with others, challenging negative misconceptions about older people, dementia and social care and breaking down barriers between the home and community.

### MAKING THE TRANSITION

Moving from an annual open day to reap the benefits of permanently keeping your doors open to the community does require some planning and investment. But help is at hand.

The Volunteering in Care Homes Toolkit brings together the practical learning from the project and contains guidance, references to other helpful resources and organisations, and templates on how to set up a volunteering programme in a care home.

The research highlights, however, that to maximise the potential of volunteering, the toolkit needs to be accompanied by investment in staff time and skills to take forward the volunteer management role. Without this time and function, volunteers will not feel supported or valued, leading to high volunteer turnover which in turn will unsettle residents and relatives and create further work for staff, as they seek to recruit, induct and train new volunteers to fill the vacant roles.

CREWKERNE is a bustling little market town in the heart of South Somerset. With around 7,000 residents, the town still has many features of yesteryear and retains an enchanting nostalgia for times past. This is encapsulated in the Neo-Georgian honey coloured buildings that can be found in the centre of the town.

While on the surface the town seems like it could be a 19th Century film set, all the necessities of modern life are available almost within touching distance. Visitors to the town can find a variety of businesses; independent boutiques, specialist mobility shops like Regency Care and Mobility and great gift stores such as Bluebird and Buttercup situated in the charming George Shopping Centre alley - a lovely historic space immediately opposite the front of the Town Hall. On the high street you'll find independent hardware stores, a treasure trove of antiques and some fascinating small, family businesses.

Crewkerne has its share of small industrial estates with cutting-edge technology businesses and manufacturers, and visible from many parts of the town, the trees and fields of the beautiful South Somerset countryside which surrounds the community.

Crewkerne is lucky to have a wide selection of eateries, from small cafes such as Bilbys to local pubs, a traditional hotel in the market square and a selection of take-aways. Crewkerne also boasts a Farmers' Market and other visiting stalls. A visitor will also be surprised to find a variety of leisure outlets including the Crewkerne Aqua Centre, an independent museum, and an excellent Local Information Centre at our Town Hall.

With its own hospital, GP surgeries, several dentists, no fewer than five schools and excellent public services, Crewkerne is a superb place to visit - or, of course, live.

# Bristol Old Vic Theatre School bring A Midsummer Night's Dream to The Beehive

THE HIGHLY acclaimed Bristol Old Vic Theatre School will perform their latest production, the much loved *A Midsummer Night's Dream* on Friday, June 17th.

In this innovative production the story is set not in Athens but a 19th Century Yorkshire Woollen Mill; a time when a mill owner was an autocratic Industrial Magnate, wielding political, industrial and economic power that influenced the lives of all those around them. The whole infrastructure of the town stemmed from the Mill, providing housing, schools, a hospital, libraries and dawn to dusk employment. The Director, Christoper Scott felt this setting and period gave a context that echoed Shakespeare's Theseus as Lord of all he surveyed. Other characters then became workers, supervisors, foreign suppliers of materials and even a Clergyman upholding the morals of Victorian society.

This production has also taken a fresh look on casting and turned a blind eye to gender, as did Shakespeare himself, allowing in some cases, women to play men just as Shakespeare allowed men to play women. This cross gender casting is becoming more evident in contemporary classical productions, allowing for exciting interpretations and the questioning of gender stereotypes. It also adds to the mayhem and comedy in this enduring masterpiece

Since its foundation in the 1940s by Laurence Olivier The Bristol Old Vic Theatre School has been recognised as one of the leading drama schools in the country. This regional tour is a fantastic opportunity to see the stars of tomorrow, already highly accomplished actors, here in Bridport. One not to be missed.

Tickets are £12 or £10, available online at www.beehivehoniton.co.uk or by calling 01404 384050.

# A tribute to trad with pedigree

O'Shea and O'Gaukroger

NOSTALGIA ain't what it used to be … but it's alive and well whenever the Pedigree Jazz Band come to town! The band specialises in playing traditional jazz and they are bringing their highly acclaimed "Salute To Trad Jazz 2016" show to Ilminster Arts Centre on Friday, July 1st.

The show celebrates the style of jazz popularized by the likes of Chris Barber, Acker Bilk and Kenny Ball in the late 1950's and early 60's, a period that became known as the "Trad Boom". Many of the record releases that made it into the hit parade at that time aren't often heard in today's jazz clubs, perhaps because numbers like Midnight in Moscow, Green Leaves of Summer, Chimes Blues and the William Tell Overture require a certain amount of careful rehearsal to do them justice. They are, however, included in the "Salute to Trad Jazz" show, much to the joy of trad fans, whose responses to the show include comments such as "It's like listening to a band in a jazz club back in the old days" and "a wonderful evening of nostalgia for British 'pop' music, late 50s to early 60s, between Lonnie Donegan and the Beatles. Brilliant!"

Come along and enjoy an evening of pure toe tapping pleasure - but don't leave it too late to book, it's going to be a popular night!

The Pedigree Jazz Band play at Ilminster Arts Centre at the Meeting House on Friday, July 1st at 8pm. Tickets are £14, and a pre-show supper is available at 7pm for £13 but must be pre-booked. For more details or to book call 01460 54973 or visit www.themeetinghouse.org.uk

# Money for Nothing

## Europe's top tribute to Dire Straits

'Money for Nothing' was formed in 2000 as a tribute to one of the world's premier rock bands - Dire Straits. The abundant energy and the excellence and musicality of their performance makes Money for Nothing a "must see" for any rock enthusiast or Dire Straits fan.

Fronting the band is the brilliant guitarist and Mark Knopfler sound-alike Aled Williams. Behind him the line-up features top-class and experienced musicians that make this band a worthy tribute to Dire Straits. Aled and the entire band have studied Dire Straits in great depth to re-create their tribute to be as close as possible to the real thing.

Featuring all the hits from their first ever single *'Sultans of Swing'* to '*Brothers in Arms*', '*Walk of Life'* and their last single released in 1992 *'The Bug'* - also the legendary *'Money For Nothing'* (ft Sting) which was the first ever video played on MTV. The band also include versions from *'On the Night'* and *'Live @ The BBC'*.

The 'Money for Nothing' stage show has been performed all over Britain and the world, at all types of venues & events - from music festivals, theatres and venues. 2010 saw them headline the main night on Europe's Biggest Tribute Festival. The band has also had the pleasure of performing as show opener for the legendary Roy Wood on part of his Theatre Tour. Sept 2011 saw them take their show to India to perform at a sell-out concert where they headlined an event held at one of Bangalore's largest Amphitheatres. Their special appearance was featured in the world's largest selling English-language daily newspaper, The Times of India. In January 2015 they also had a very successful tour of the UAE with performances in Bahrain and Dubai – which has lead to them being tipped as the worlds no.1.

Money for Nothing play at the Marine Theatre, Lyme Regis on Saturday, June 25th at 8pm. Tickets are £16.50 or £14 (concessions) in advance, or £18.50/£16 on the door. A TheatreFriends discount is available.

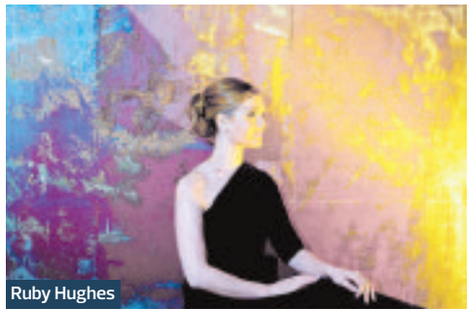
# Mr Handel comes West

AN ILLUSTRIOUS line-up of classical music superstars will be gathering at Whitelackington in Somerset on Sunday, June 19th for a spectacular fundraising concert in aid of the unique West Country charitable trust, Concerts in the West (Charity no 1139301). Concerts in the West, has for the past ten years, provided local audiences in Somerset, Devon and Cornwall with top quality performances by young professional musicians. The event is being held to raise funds to support future series of concerts organised by the charity.

Leading the concert will be the internationally renowned conductor and harpsichordist Laurence Cummings who will partner the dazzling young soprano Ruby Hughes in a delightful mixed programme consisting of arias composed by Handel for the Italian singer Giulia Frasi, as well as songs and music by his Baroque contemporaries. Ruby says she feels a particular affinity with her 18th Century soprano counterpart as her favourite Handel roles are the ones he composed for Frasi.



Ruby Hughes

Laurence Cummings

Additional choral performances will be given by an elite choral group - The Phoenix Singers - who will be directed by Laurence in performances of choruses from Handel's oratorios, Susanna and Hercules.

Laurence and Ruby will also be joined by a trio of string players from the dynamic Kruger Quartet, including violinists Helen Kruger and Claudia Norz and cellist Carina Drury, whose expressive playing entertained Concerts in the West audiences in three noteworthy performances recently (March 2016).

Commenting on this special charity concert, Catherine Hodgson the founder and director of Concerts in the West, said: "I want to say a huge thank you to Lord and Lady Cameron for hosting this event to support Concerts in the West. It will be a wonderful evening with our patron the conductor and harpsichordist Laurence Cummings who will be accompanying the award-winning soprano Ruby Hughes. Laurence is an internationally acclaimed Handel specialist and he and Ruby are embarking on an exciting project to record a number of the arias Handel wrote for the Italian soprano Giulia Frasi, which they will be performing for us at Whitelackington. If the weather is good people will be able to wander round the gardens after the concert as well as drink and eat.

"We are also delighted to welcome back members of the Kruger Quartet, who will be playing on original 18th Century instruments and The Phoenix Singers, an exceptional Taunton based chamber choir.

"I am extremely grateful to Laurence, Ruby and Helen who are all giving their professional services free to support Concerts in the West.

Laurence Cummings said: "I am delighted to be involved in this special fund raising concert, which will enable Concerts in the West to continue to offer support and encouragement to the younger generation of musicians who reap huge benefits from the high-profile of this charity. I am proud to be a patron of Concerts in the West. The programming it offers is highly imaginative and the venues are so charming that their annual concert series draws in audiences who are not so familiar with the enriching qualities of classical music as well as the die-hard fans. Concerts in the West is an invaluable asset to the West Country and Catherine Hodgson's tireless work in organising these concerts is to be applauded."

Tickets for the evening cost £24 and includes the concert, which commences at 4pm in St Mary's church (doors will open at 3.30pm to allow people to take their seats) and a post-performance reception at 6pm in the Great Hall, Whitelackington Manor, Ilminster, Somerset, TA19 9EF. Concerts in the West will receive the full amount from each ticket sold.

To order tickets and reserve a seat, please contact email concertsinthewest@gmail.com or call Catherine Hodgson on 01460 53500

For more formal gentlemen there are stripe, check or plain shirts with ties to match, even matching ties and pocket-handkerchiefs. A traditional cravat or clip on tie, ideal if older fingers can't tie like they used to.

Leather goods include wallets, passport holders, bum bags, belts, pound coin holders and coin purses are proving very popular. There is a selection of tie racks, belt spinners, shoehorns and clothes brushes on our wooden range.

Our footwear range has expanded into a selection of slippers, orthopaedic, traditional and mules, so something for everyone and a new budget range of leather sandals and trainers to complement our Lacuzzo Italian leather shoes.

# Dining out: THE WHITE LION CARVERY

MAUREEN and staff welcome you and invite you to The White Lion Carvery in Crewkerne, where food is synonymous with freshness and quality.

Anything ordered from the menu is sure to please, but staff will happily recommend the fish and vegetarian dishes. The kitchen team stay away from assembly-line work and still prepare dishes fresh upon ordering and entirely from scratch. Sweets are all handmade by the chefs.

### THE WHITE LION'S MENU

For your main course, make your way to the Carvery where The White Lion's friendly staff will be pleased to serve you with the meats of your choice. Help yourself to vegetables, gravy and sauces. You can select your first course from the large selection of dishes from the chilled buffet or hot soup if you prefer.

The waitress will serve you from the large selection of home made sweets from the trolley. We also have cheese and biscuits and icecreams if you prefer. Your waitress will also take orders for wine, drinks and coffee etc.

Beside the selection of roast meats carved in front of you, a separate menu offers the perfect food for an invigorating dinner, including Salmon fillet with watercress sauce, Deep fried Scampi with tartar sauce, Poached Rainbow Trout with horseradish, almond butter or tartar sauce, Supreme of Chicken cooked as you prefer, Grilled fillet of Plaice with tartar sauce. All dishes are served with fresh vegetables from the Carvery.

Also an extensive selection of vegetarian dishes, again home made, are available. Please order on arrival, and let staff know if you have any special dietary requirements.

Maureen and the team's goal is to satisfy your hunger and put a big smile on your face!

### THE WHITE LION'S HISTORY

The White Lion was built in 1630 during the reign of King Charles 1 and was a hostelry for travellers until approximately 1973 when it was used for a number of different businesses.

In 1981 The White Lion was turned into a licensed restaurant and was bought in 1984 by Claudio and Maureen and became a traditional English Carvery restaurant.

Claudio retired several years ago and Maureen carried on the business and is still there 29 years later. It is now one of the oldest businesses in town.

The front of the building blends into the long row of terraced properties in Hermitage Street, but upon entering the building through the very impressive front door everything changes. It is charming, warm and welcoming, and stretches through to South Street at the back of the building.

There is a very comfortable bar and a charming courtyard which is illuminated at night and is used for drinks and coffee in the warmer weather.

The White Lion also has a table license with an extensive wine list, so you will be spoilt for choice when choosing your drinks to go with your meal.

# 5 TIPS FOR PLANNING A DECK OR PATIO

by Julia Gray, Press Association

1. WHERE your garden gets the sun at different times of the day could make a big difference to how much you'll use your new deck or patio. The usual place to put it is near the house, so it's convenient for alfresco dining and entertaining, but there might be a better spot elsewhere. While most of us want a sunny deck or patio, some people prefer one with shade, which might mean putting it at the opposite end of the garden to the house.

2. When deciding on the location of your patio or deck, think about things like drainage (the manhole, or at least a rodding point, still needs to be accessible), where the doors to the garden are, and if the patio or deck will be overlooked. Also consider the prevailing winds, traffic noise, if any, and what you'll be looking out on when you sit and relax.

3. Decking is a good way to make sloping gardens usable, as an alternative to creating tiers. By extending the deck out from the house to cover the whole garden, you've solved the problem of an awkward, hard-to-use and even potentially dangerous (if you have small children) outside space. Decking can also be the best way to cover something that's already there, such as concrete or a dated patio, because you can go over the top of it. With small, courtyard gardens, decking or paving the whole space makes sense if they're too small for a lawn.

4. It's important to have a patio or deck that's in proportion to the size of the house, and to use colours and materials that work well with the building, unless you want a deliberate contrast. While it should be in keeping, your design can also be creative. Decking can be built on different levels, with things like built-in benches and planters that make it more practical and interesting. You can do a similar thing with paving - an easy way to add interest is to incorporate a circle or other design into your patio using a paving kit.

5. Before you start building your patio or deck, check if any permissions are required. If your home's leasehold, for example, you may need the freeholder's consent and also planning permission because flats and maisonettes don't have permitted development rights. For general advice about planning permission, click on the deck or patio on the Interactive House at www.planningportal.gov.uk, or ask your local council for specific advice about your home.

### PRODUCTS OF THE WEEK

FATHER'S Day is coming up on June 19, and if your dad enjoys decorating, Screwfix has some great gifts, including the T-Class Synthetic Bristle Paintbrushes (£9.99, Screwfix). There are five excellent brushes in the set (from 12mm to 50mm), with lovely wooden handles and soft, fine bristles that make getting a good finish easy.

When there are lots of walls and ceilings to paint, dad will love the No Nonsense Scuttle Kit & 6 Sleeves (£14.99, Screwfix). This large, 14ltr paint scuttle has a lid to keep the paint fresh overnight and is ideal if dad likes mixing emulsions to create his own colours. You get six big, quality roller heads with it and a double-arm aluminium frame to hold them - a compatible extension pole is also required, but isn't supplied.

For a scuttle with everything included, there's the great-value Harris Decorators Kit 14 Piece Set (£29.99, Screwfix). It comprises a 9in and a mini roller frame, plus roller sleeves to fit them and a 14ltr scuttle, also with a lid, so there's everything dad needs to get started - just add paint.

### HOW-TO TIP

GARDEN wood, such as fencing and sheds, often comes pre-treated, but some pre-treatments make the wood so orange that covering it with a nicer colour isn't easy. Applying pale garden-wood paint, such as cream, can even turn the wood pink - several coats are usually necessary for it to get near cream. Do a tester patch and if this is the case, consider switching to a stronger colour that will cover in fewer coats. Alternatively, use a pale exterior wood paint, such as Dulux Trade Weathershield Quick Dry Exterior Satin in Pure Brilliant White (£47.76 for 2.5ltr, Dulux) - this covers extremely orange garden wood in two or three coats.

## SPOTLIGHT

# SPOTLIGHT ON MY SERVICE

## Westcountry Chimney Services

WESTCOUNTRY Chimney Services are a professional company based in East Devon providing chimney services throughout Devon, Dorset and parts of Somerset.

Trained by the Guild of Master Chimney Sweeps, proving commitment to the chimney industry and demonstrating this commitment and professionalism by taking the time to pass the Guilds assessment.

We are fully insured and will supply a certificate for every flue swept.

Advice will be given on areas such as correct ventilation as this will help to improve the efficiency and safety of the appliance.

It is extremely important to regularly sweep your chimney flue to prevent soot build up within the flue which can cause a chimney fire.

Soot build up can cause damage to the flue, not only reducing the efficiency of the appliance but can cause dangerous fumes such as carbon monoxide leaking into your home thus why regular sweeping is imperative.

Included in our service:

An inspection of the flue will take place to check condition and see if there is any obstruction or damage to the flue, then

The appliance will be checked for any damage such as cracks and corrosion of the seals.

The flue will be swept using the correct equipment and all fall out will be cleaned up and removed.

Finally a smoke test will be done to confirm the appliance is drawing efficiently.

All prevention will be taken to stop any soot getting on to carpets or furnishings by the use of dust sheets, protective foot ware and a commercial vacuum. Westcountry services do a wide range of chimney flues including woodburners, range cookers, Agas and inglenooks.

# Renault celebrates sponsorship of THE COLOR RUN with special edition Twingo

RENAULT is going the extra mile to celebrate its sponsorship of THE COLOR RUN, the Happiest 5k on the Planet, with the launch of a commemorative special edition Twingo city car.

The French car manufacturer is sponsoring the Yellow Color Zone of the UK series of THE COLOR RUN global events, where thousands of runners start the course in a white T-shirt and are covered in a rainbow of colours throughout the course.

Taking place at the heart of five nationwide cities that span Brighton to Glasgow and kicking off in London at Wembley Park on 12 June, THE COLOR RUN is all about having fun with friends and family and enjoying a truly colourful experience. The events are untimed and participants are invited to complete the course however they wish, be it running, walking, skipping, dancing or even cartwheeling!

For 2016, THE COLOR RUN is bringing the theme of an island holiday to each venue with its Tropicolor Tour, transforming the locations into bustling hives of fun, music and colour. The famous 'Color Throws' will welcome participants across the line in a frenzy of colour and the fun will continue at the Finish Festival with entertainment from a mix of DJs and MCs.

As well as sponsoring the yellow section of each course in homage to the vibrant colour of its iconic badge, Renault will be adding even more colour to each city's event with the display of the new Twingo THE COLOR RUN Special Edition.

Fun, innovative and guaranteed to leave people smiling, the Renault Twingo is the ideal match for THE COLOR RUN. Based on the popular Twingo Play version, that features air conditioning, daytime running lights, electric front windows, DAB tuner with Bluetooth®, AUX and USB connectivity, and the R&GO® application that turns any compatible smartphone into an infotainment and navigation system, the Twingo THE COLOR RUN Special Edition adds an electric panoramic fabric folding sunroof, 15-inch 'Exception' alloy wheels, THE COLOR RUN-exclusive floor mats and the choice of any compatible Exterior Touch Pack and Interior Style Pack, which add colour coordinated details to the inside and outside of the striking city car.

The five-door Twingo THE COLOR RUN Special Edition is available in all of the Twingo's large array of colours – including the new Ultraviolet metallic shade – and customers can make it even more distinctive with optional Special Edition decals.

Powering the striking Twingo is the SCe 70 petrol engine, the three-cylinder, 999cc engine in the Twingo THE COLOR RUN Special Edition returns fuel economy of 56.6mpg (Combined) and emits 112g/km CO2.

Compared to a Twingo Play specified with the same extras, the Twingo THE COLOR RUN Special Edition offers a customer saving of £800. The Twingo THE COLOR RUN Special Edition is priced from £10,495 and is available to order now.

James Boyer, Marketing Director, Groupe Renault UK & Ireland, said: "We're very excited to partner with THE COLOR RUN, especially as it brings something new and fun to the city, just like the Renault Twingo. Both are all about enjoying urban environments to the maximum and colour is also a major part of the Twingo with the car's many personalisation options offering drivers the chance to tailor it to their own unique style to really cut a dash around town."

Andy Knee, Managing Director EMEA of Mass Participation Sports, at organisers IMG, commented: "We're delighted Renault has chosen to launch a special edition Twingo to celebrate its partnership with THE COLOR RUN. The Twingo's playful personality is sure to connect well with our 'Color Runners' who are incredibly passionate about immersing themselves in the Happiest 5k on the Planet. We look forward to seeing these dynamic and stylish cars at our COLOR RUN events and on roads across the country."

THE COLOR RUN events will take place at:

London – June 12th
Manchester – July 2nd
Glasgow – July 17th
Birmingham – August 20th
London – September 4th
Brighton – September 17th

Entry is available at www.thecolorrun.co.uk

Cool, nimble and practical, the award-winning Twingo offers an extremely innovative take on the city car. Its rear-engined, rear-wheel-drive layout meaning that interior space is truly maximised and it is incredibly easy to park, manoeuvre or do a U-turn because the front wheels are not restricted by the engine. Twingo is available with a huge range of colour, trim and personalisation options so that buyers can create the exact look they want. Twingo comes as standard with five doors and is priced from £9,495.

The Twingo is powered by a choice of two petrol engines – the SCe 70 and the turbocharged TCe 90 Stop & Start. Both endow the Twingo with the performance to match its agile, nimble handling. All versions feature a five-speed manual gearbox, while a six-speed EDC dual-clutch automatic transmission is also available on models with the TCe 90 engine.

As with all new Renaults, Twingo is covered by a four-year warranty that offers unlimited-mileage cover in the first two years and then two further years of protection up to 100,000 miles. Four years Renault Assistance cover is also included.

## UK prices announced for the new Abarth 124 Spider

PRICING and specification for the all-new Abarth 124 Spider have been announced by Fiat Chrysler Automobiles UK, ahead of the stunning new car's arrival here this summer.

And with a starting price of £29,565 OTR for the 1.4 TJet 170hp Manual, the new two-seater roadster represents outstanding value for money.

The new Abarth 124 Spider marks the return of the 'Spider' badge, and is the natural heir of the original model launched in 1972. The 2016 car incorporates performance, technology and iconic Italian style as the key factors of a very successful line-up.

Equipped with a powerful four-cylinder 1.4-litre MultiAir Turbo engine, the new spider delivers 170 hp and 250 Nm of torque. With a top speed of 143 mph the car can go from 0 to 62mph in 6.8 seconds. Furthermore, as the sound of the engine really matters in an Abarth, the Record Monza exhaust comes as standard, generating a unique growl.

The spider is available with a six-speed manual or the automatic Sequenziale Sportivo gearbox. The manual is characterised by quick and accurate shifting with a short-throw, direct lever, while the Sequenziale Sportivo gearbox, with steering wheel-mounted paddle shift, exploits all of the engine's torque.

Each car is tested and certified by an Abarth technician who applies a metal plaque showing the sequential number of each car to certify the exclusiveness of the Abarth 124 Spider: it's a unique number for a unique customer.

Full pricing for the new Abarth 124 Spider is as follows:

124 Spider 1.4 TJet 170hp Manual £29,565

124 Spider 1.4 TJet 170hp Automatic £31,605

Five body colours are available, emphasising sport and heritage: special solid "Turini 1975 White" and "Costa Brava 1972 Red", metallic "Isola d'Elba 1974 Blue", "Portogallo 1974 Grey" and "San Marino 1972 Black".

The new Abarth 124 spider has a three-gauge instrument binnacle featuring a large central rev counter, a speedometer on the right and a data display on the left allowing the driver to monitor all key driving information at a glance.

Standard equipment includes climate control system, cruise control, adjustable, electrically-folding door mirrors, and an infotainment system with ergonomic, selector dial on the centre console. The system features a 7-inch colour display, DAB digital tuner, MP3 player, two USB ports, AUX input, and Bluetooth connectivity.

There is also a stereo with four speakers while, for superior sound quality, a Bose premium sound system with nine speakers, including dual headrest speakers on both seats and a subwoofer, is available as an option. A satellite navigation system is also optional.

"The 124 Spider is a new car and a new chapter in the exciting Abarth story," says Gerry Southerington, Abarth brand manager. "It's what many of our existing customers have been waiting for, and I am confident we will now welcome a new group of owners into the Abarth family. Great looks, stunning performance and unique equipment will set the 124 Spider apart from other roadsters and I am excited about this car's UK launch."

## Ford celebrates 40 years of the Fiesta with UK debut for new ST200

FORD will celebrate the 40th anniversary of its iconic Fiesta model at this year's Goodwood Moving Motor Show, part of the Press & Preview day on Thursday, June 23.

Central to the celebrations will be the introduction of the newly-upgraded Fiesta ST200, which will make its UK debut at the event and will be available for visitors to drive up the Goodwood hillclimb course.

The Fiesta ST is already regarded as one of the best hot hatches ever built, so the arrival of the turbocharged, 1.6-litre version will be one of the most hotly-anticipated unveils of this year's Moving Motor Show.

▲ Ford celebrates 40 years of Fiesta with UK debut for new ST200

The ST200 boasts 200PS (197bhp) and will accelerate from 0-62mph in 6.7 seconds, making it a compelling proposition for visitors who are lucky enough to pilot it up the 1.16-mile hillclimb.

As part of the same event, Ford will also show its new GT supercar. The main sFestival of Speed weekend will also be graced by Ford's GT race cars, fresh from the marque's return to the Le Mans 24 Hours earlier in June.

The Ford Fiesta first went on sale in 1976 and quickly became known as the 'first British supermini'. In the first three years of its production, Ford sold a million examples and it wasn't until 1980 that the Fiesta faced serious competition in the form of the Austin Metro. Over the past 40 years Ford has sold a total of 4.33 million Fiestas in Britain.

Goodwood Festival of Speed founder, Lord March, said: "The Fiesta is an icon of British motoring and it is marvellous that Ford has chosen the Festival of Speed to celebrate the car's 40th anniversary and debut the new ST200."

# New FIAT 500S available to order in the UK

THE new FIAT 500S is available to order in the UK with prices starting from just £12,950 OTR. Designed to appeal to customers who want the compact dimensions, low running costs and cheeky appeal of the FIAT 500 but in a sportier package, the new FIAT 500S has been comprehensively restyled with new sports bumpers front and rear, special side skirts and a rear spoiler, while the door handles, tailgate, "moustache", mirror fairings and 15-inch alloy wheels are finished in exclusive "Satin Graphite".

The FIAT 500S is also equipped with front fog lamps, tinted rear windows, a chrome-finish tailpipe, black-grained front air intakes and an eye-catching honeycomb grille. The standard 15-inch alloy wheels with their special "Satin Graphite" finish, and the optional 16-inch alloy wheels with a matt-black diamond treatment, are both new to the range while the colour palette has grown to include Electronica Blue metallic and Marching Green matte.

Inside, the new FIAT 500S is enhanced by black sport seats and a black roof lining which contrast with the door panels and seat edges, which are finished in blue, white or yellow. "Satin Graphite" detailing also features on the dashboard fascia and the special sports steering wheel and the interior can also be trimmed in optional Frau leather with white or light blue details for a splash of additional luxury. A full-colour, seven-inch TFT instrument display is standard on the new 500S, while the FIAT 500S Convertible adds an electric canvas roof with a heated glass rear window.

The dashboard of the new FIAT 500S incorporates FIAT's new Uconnect™ seven-inch HD LIVE touchscreen with a high resolution display as standard equipment. This system offers a wide range of functions, including Uconnect™ LIVE services, Bluetooth hands-free phone calling, voice recognition and a multitude of entertainment options including Bluetooth streaming, USB connectivity, a 3.5mm auxiliary jack, DAB digital radio and FM/AM radio. The system can be upgraded with the latest 3D TomTom navigation system for an additional £250.

The exclusive BeatsAudio™ sound system also debuts on the new FIAT 500S, priced at just £300. Developed in conjunction with Beats by Dr. Dre, the seven-speaker system has a total output of 440 watts and features a digital amplifier integrating an advanced equalisation algorithm, which can recreate the entire sound spectrum that an artist experiences during studio recording.

In terms of safety, the FIAT 500S is equipped with seven airbags as standard equipment, including a driver's side knee bag, as well as ABS with EBD (Electronic Brake Distribution) and a sophisticated ESC (Electronic Stability Control) system with ASR (Anti Slip Regulation), Hill Holder and HBA (Hydraulic Brake Assistance) to assist in emergency braking.

Four engines power the FIAT 500S so there's a version for every taste and budget: The 69hp 1.2-litre petrol and the 85hp 0.9 TwinAir petrol are both available with a five-speed manual or optional five-speed Dualogic automated manual transmission, while the 105hp 0.9 TwinAir petrol is fitted with a 6-speed manual as standard. FIAT remains the only brand to offer diesel-powered cars – FIAT 500, FIAT 500S and FIAT Panda – in the segment and the 95hp 1.3 litre MultiJet II in the 500S employs the best of today's small diesel engineering technology to reduce emissions to just only 89 grams of CO2 per kilometre and offer an official combined-cycle fuel efficiency figure of 83.1mpg.

The new FIAT 500S is on sale in the UK now, priced from £12,950 OTR when powered by the 1.2-litre 69hp petrol engine. The 85hp TwinAir version is priced from £14,250 OTR while the TwinAir 105hp is just £14,730 OTR. The FIAT 500S 1.3 MultiJet II 95hp is priced from £15,350 OTR. # Somerset in great limited overs form

## MYBURGH AND VAN DER MERWE STEAL THE SHOW AGAINST SURREY IN THE BLAST

### SOMERSET CCC

SOMERSET'S excellent limited over form continued last week with two well deserved wins over Surrey.

The first win came on June 8th, after a half century from Johann Myburgh helped the Cidermen to an eight wicket win, via the Duckworth Lewis method, with just five balls remaining at the Kia Oval.

After winning the toss Surrey elected to bat and England International Jason Roy and Steven Davies put on 33 for the opening wicket.

Davies was the first wicket to fall when he was bowled by Jim Allenby for six. The score moved on to 53 for one when the rain came and resulted in a delay of just under four hours.

Shortly after 7pm the sides returned to the field to complete the match which was reduced to 24 overs per side. Roy was the next man to go with the score on 72 when he was bowled by Tim Groenewald for 46.

The prize wicket of Kumar Sangakkara fell just one run later when he was run out for 12 by Roelof van der Merwe. Surrey finished their inning sposting 163 for six.

Chasing 180 (D/L method) for victory, Somerset made a solid start as Allenby and Myburgh put on 155 for the first wicket.

The Somerset skipper was the man to go having made an impressive 71 from just 56 deliveries.

The score had moved on to 161 when Myburgh was caught by Stuart Meaker from the bowling of Sam Curran for 76.

His runs coming from 59 balls including eight 4s and three 6s. It was then left to Peter Trego and James Hildreth to see Somerset over the line which they did as Somerset triumphed by eight wickets.

Surrey then travelled to Taunton to face Somerset a few days later in a thrilling NatWest T20 blast. Chris Gayle was the start attraction and smashed 31 from 13 balls but was overshadowed by Myburgh and Roelof van der Merwe who were at the forefront as Somerset overhauled Surrey's 286 for 4 with four balls to spare.

Having won the toss, Surrey lost their first wicket in the fifth over when Jason Roy was caught by van der Merwe off Craig Overton for 28.

Kumar Sangakkara was well caught by Gayle at extra cover off Yasir Arafat for 37 off 19 balls. The Sri Lankan struck seven boundaries in his short stay at the crease and was understandably miffed when Gayle stuck out a hand and held on to a smart catch.

In the very next over, Rory Burns departed for a single when he was caught by Craig Overton at deep mid-wicket at 96 for three.

At that stage, Surrey needed a partnership of real substance. Thanks to Sibley and Dwayne Bravo they got it.

The pair added 69 off 42 balls with Bravo helping himself to 15 before van der Merwe held on to a wonderful catch on the deep mid-wicket boundary.

Sibley continued to lead the way for Surrey and though Somerset bowled well at the death, the 20-year-old bolstered the visitors' total to 186 for four with an unbeaten 74 off 55 balls. The youngster struck six fours and three sixes.

Somerset's reply was had barely got going when Jim Allenby top edged a Ravi Rampaul delivery to wicket keeper Ben Foakes at 10 for one.

But after Gayle had been caught on 31 and Trego had gloved to Foakes for two, Myburgh and Gregory took the places at the crease and set up Somerset's victory.

After Gregory fell on 21, Myburgh was joined by van der Merwe in the middle and the two shared an unbeaten 87 with Myburgh finishing on 86 and van der Merwe not out on 39 guiding Somerset to victory.

Myburgh, who has now hit three white ball half centuries on the bounce, said: "The boys are happy and a lot of them are hitting the ball nicely. A lot of the bowlers are bowling nicely and very smartly, so as a team there are a lot of guys who are doing their jobs well."

## starter's orders chard road runners *with Paul Masters*

CHARD Road Runners were off in numbers to the Piddle Wood Plod – a multi-terrain 10k running race organised by the Hydro Harriers to raise funds for SURE and Thurlbear Primary School.

Heading out from the off for CRRs was Kate Beauchamp, who having been training hard for her midwifery course set about this run with a real plan to deliver.

But Gary Wheaton was also in hot pursuit. Having parked a park-run on the Saturday, Gary was still in the frame for a second CRR home.

So running 10k over hills, trails, tracks and fields is hard! Gavin Wyatt decided to cycle to the race the pick off the third CRR home place alongside Sara Atkins who went all out for the grand finish with spoils of medals and cider.

Next for the CRRs was Miranda Coleberd, Richard Lovelock, Julie Bindon and Lizzie Smith, all taking it in turns to challenge for places as the race progressed in what was said to be sticky but good conditions.

Next for the CRRs was the local Yeovil Marathon. Setting off from the fantastic setting of RNAS Yeovilton this race fielded a field of over 300 runners for a two lap road marathon.

Starting off was Adrian Male, Emma Male and Helen Baxter; with this fast paced race Adrian headed off from the line at a pace with a goal to better his previous marathon time.

Emma was out to keep her marathon performances going having already completed several this year, but the cruel fate of runners struck at 4 miles in and Emma had to make the hard decision to pull out of the race with a knee injury.

Helen Baxter was next for CRRs and with the weather conditions getting sticky this was starting to become a bit of a battle for the runners, a sudden downpour soon came to the rescue and Helen joined with a number of other runners in the chase for the line whilst supporting each other.

Adrian meet his goal and crossed the line in 4h 12m 17m a PB by 1m 5sec – a great goal achieved.

◆ **AT THE PLOD:** Rich Lovelock, Miranda Coleberd. Gary Wheaton, Katy Beauchamp, Julie Bindon, Gavin Wyatt, Sarah Atkin, Lizzie Smith

## sailing sutton bingham

# Frost just too hot

AN overcast and practically windless morning greeted the seven sailors who recently visited Sutton Bingham SC for the Solo Open and round five of the Solo Western Travellers Series.

By 11.30am however, there was just enough NNE zephyrs for Principal Race Officer (PRO), Chris Bottomley to start **race one**. After a clean start on a remarkably unbiased line (considering the conditions), the patchy and shifty wind resulted in plenty of place changes up the first beat with Paul Teague, Howard Frear and Charles Davidson being the top three at the windward mark.

Steady, but slow, progress was made downwind before another shifty and tactical beat was undertaken. This time Paul and Howard rounded first and second with Richard Frost in third.

After a short reach to a "spreader mark", Richard split gybes with the leading pair just as a faint NW puff arrived. This was enough to give him the inside track and the lead at the next gybe mark which he then just managed to hold to the leeward mark.

Meanwhile, the wind gradually filled in from behind and the chasing boats all arrived at the leeward mark together, but with differing speeds, resulting in the inevitable 'complications'.

Having sorted the "leeward hairpin melee" and with a light but now steadier breeze for lap three, place changing was difficult and Richard, Howard and Paul went on to finish in first, second and third respectively.

**Race two** saw Richard get the best of the fickle shifts up the first beat and lead round the top mark just ahead of Howard. These two kept ahead of the fleet for the next lap, but the wind was fading fast.

By the time the fleet had rounded the windward mark for the second time the wind had all but gone and Paul and Charles decided it was time to throw in the towel and head back to Cheddar reservoir.

The remainder gritted their teeth, suffered the bruised shins of very light wind Solo sailing and finished the shortened course with Richard and Howard coming in first and second respectively followed by John Banks grinding out a painful third.

A short 'on the water' discussion, timed with some weak thermal wind resulted in the PRO setting a very short windward-leeward course for **race three**. It was a clean start by all with Howard taking advantage of a windshift on the left to quickly and establish a healthy lead, which he never relinquished.

Julian Doggrell rounded the top mark in second and a nifty move by Vernon Perkins allowed him to round third forcing, Richard back into fourth; a position he consolidated by touching the mark with his boom. Julian and Vernon chased Howard hard all the way to the finish but Howard remained calm under the pressure to take the win, whilst Vernon just pipped Julian on the line to take second.

John Banks overtook an increasingly frustrated Richard on the last beat to the finish to round out the top four.

**Result**; 1st, Richard Frost (Sutton Bingham SC), 2nd, Howard Frear (Sutton Bingham SC), 3rd, Vernon Perkins (South Cerney SC).

◆ WINNER: Richard Frost

# Margaret and Alan head north

**AXE VALLEY RUNNERS**
*with Dave Mutter*

MARGARET Pearce and Alan Morbey ventured north of the border for the 2016 Edinburgh Marathon.

Reputed to be the fastest marathon course in the UK, the event runs through the heart of the city, past Holyrood House, the Scottish Parliament and along the lower slopes of Arthur's Seat before heading for the coast at Leith and along the so-called Golf Coast where there are more links golf courses than anywhere else in the world, finishing some miles out of town in Musselburgh.

On the warmest day of the year so far in Scotland, Margaret set a blistering pace and finished 1,338th in an amazing 3:42:19 whilst Alan finally broke the four hour barrier, 2,286th 3:58:07 both achieving PBs and Margaret gaining a "good for age" entry to next year's London Marathon.

There were 6,591 finishers, amongst them Ben Smith who is attempting to run 401 consecutive marathons. In this his 272nd straight marathon (!) he finished 1784th in 3:50:36. Only to 129 more go Ben…

On Sunday, Graham Newton ran the Puddletown Plod, a half marathon in the quiet leafy lanes of Dorset. A well marshalled, very undulating route in as pretty a road run as you could find anywhere. Graham managed to run around in 1:39 but could only manage fourth vet 60.

**HONITON RC**
*with Judy Davey*

LAST Wednesday, two Honiton Running Club members made the short journey to Yeovilton to compete in the third round of the Yeovilton Summer 5K Series.

Both athletes had competed just three days earlier at Fairford so still had the 10K in their legs and conditions were very humid which made running hard work.

James Denne finished in 3rd place in 15.49 and Gemma Collier broke her personal best by 15 seconds to finish 8th (39th overall) in the ladies race in 19.14.

There were 178 runners.

# Maureen and Rob win Mixed Fours Trophy

**HONITON** *with John Pawley*

**Competitions**

ON MONDAY the Seniors had their home leg friendly match against Enmore GC of Bridgwater.

Both sets of golfers enjoyed the sunny if rather humid conditions and the result was a win for Alan Pollock's team by 4½ to 1½ – a more pleasing result than the last outing.

On Thursday the seniors were at Churston GC for their friendly match. This time the result was 5-1 in favour of the home team.

**Mixed Group**

THERE was a very good turnout for the Geoff and Sheila Banks Mixed Fours Trophy, an annual fixture which is open to regular Tuesday Mixed players.

Geoff and Sheila Banks ran the Tuesday Mixed for many years and Geoff donated the trophy following Sheila's death.

The format was a Treble Six and the clear winners with a magnificent score of 42 points were Maureen Tollemache and Rob Sexton.

Sally Chapman and Andy Sharland came second with 38 points, followed by Hilda Hoepelman and Bob Barnes with 37 points and Jan Portlock and Laurie Tollemache with 36 points.

Everyone was delighted that Geoff Banks was able to present the trophy and vouchers to the winners.

As was always his custom when organising the Tuesday Mixed, Geoff said a few words and concluded with a humorous tale. Despite being in his 90s Geoff has lost none of his talent for relating a good yarn.

**Seniors**

SIXTY-one Seniors turned out last Friday to compete in the Masters Medal.

This is an annual event in which players that came either first or second in individual competitions during the previous year are eligible to compete for the title of 'Masters' Champion – and the right to wear the green jersey.

For those players who were not eligible for the Masters, the competition was a straightforward monthly medal. In cloudy, rather humid conditions with a threat of rain, and after a close-fought contest Howard Pritchard emerged as Champion with a net 68 – earning him a one shot handicap cut.

He also topped Division II with John Pawley on 71 second, ahead on count-back from John Vessey.

David Lee followed with a 72 and Bob Cockett, who regularly appears amongst the winners, claimed last spot. In Division I, Dave Maggs came out on top with an excellent 69.

Three players followed on 70, separated on count-back. Mike Stroud was second, ahead of Chris Street and Bill Eaton. Tony Williams with 71 was fifth.

There were four 2s: Robert Canterbury and Vic Wood on the 2nd hole, Mike Stroud on the 10th and Derek Herrington on the 10th. They each won eight balls.

**CRICKET ST THOMAS**
*with Bert Robinson*

ON MONDAY, 36 Seniors entered the Memorial Bowl trophy which is an annual event held in memory of those Senior golfers who have sadly passed away.

The competition takes the format of a three man team with two to score. Several teams scored around the 75 mark but the outright winners by a big margin was the team ted by Malcolm Roy who amassed an amazing 84 points.

**Result:** Winners – Malcolm Roy; Nick George & Bert Robinson, 84 points; Runners-up: Martin Leigh; Barrie Heath & Trevor Dobson, 78 points.

A large field of 56 Seniors entered the June Stableford qualifier on Wednesday, and in the benign conditions, the scoring was good, with many players scoring under par rounds.

An exciting competition developed in Division 1 with three players all returning the same score of three under par rounds of 39 points. Rod Young was adjudicated the winner by virtue of having the best final six holes.

In Division 2, George Wallace had a round of four under to win the Division with 40 points.

**Result:** Division 1 – 1. Rod Young (39), 2. Eddie Paolini (39), 3. Kevin Graves (39); Division 2 – George Wallace (40), 2. Brian Hodder (38), 3. Bob Hollingsworth (37).

The match team travelled to Cannington on Thursday. With two losses in the first two games, all was not well, but a fine win on the 17th green gave the Saints some hope.

A further loss and a win at game five left the result depending on the final game. Unfortunately the game was lost which gave Cannington victory by 4-2.

Nick Hill & Bill Hilson lost by two holes Roger Stone & Nobby Hodder lost by 4 & 2; Keith Potter & Richard Hall won by 2 & 1; John Pearce & Barrie Singleton lost by one hole; Robin Flower & James Dick won by one hole; Bryan Frost & Mick Aldridge lost by 3 & 2.

The first round of the Knighton Heath Knockout Plate competition was held on Thursday and the competition team travelled to the new forest to take on the might of Burley.

In an evenly contested match over ten games, the Saints team found themselves 4-5 down after nine games, but with all depending on the final game, there was to be another defeat, with Burley winning by 6-4.

Roger Stone halved with Gary Hill; Bob Barrow lost to Richard Moyle by 3 & 2; Chris Gingell Lost to Richard Hyde by 1 hole; Alan Chance beat Roy Fleet by 2 & 1; Norman Markby lost to David Smallman by 4 & 2; Barrie Heath halve with Mike Stephon; John Wandless beat John Diment by 1 hole; Peter Spencer-Farr lost to David Beck by 4 & 3; Lyndsey Gage beat David Curtis by 3 & 2; Stuart Pope lost to Jeremy Bilham by 5 & 4.

The Seniors completed the week with a three man 'Hassle' competition on Friday.

Eight teams took part in favourable conditions and some fine golf was experienced.

In a close finish, the team managed by Mike Burt won by the closest margin of 0.66 of a shot over Fred Oliver's trio.

**Result:** 1. Mike Burt, Trevor Dobson & Ian Fielder, 59.84; 2. Fred Oliver, Mike Mosser & Alan Keegan, 60.50; 3. George Wallace, John Bloys & Andy Beale, 63.50.

HONITON bowlers are back on track in the East of Exe League as they secured a win over Ottery St Mary by 74 shots to 70, top rink being Alan Fuller, Daphne Courtney, Joan Heard and Bill Nicholls 27-16.

Not so exciting for Honiton A who lost to Uffculme but Honiton C claimed a win over Sidmouth 33 shots to 29 and gained 6 points. Their top rink were Bill Nicholls, Mike Dart and Gerry Stafrace.

Last weekend Sue Evans once again helped Bowls Devon ladies to success in the Johns trophy over Herefordshire. Playing away the team did well to score 18 points out of 22.

## Off the mark

HONITON Petanque scored their first win of the season against touring side Royal Oak Petanque Club from Shropshire, the first in a series of challenge matches for the Mountbatten Park based club.

The visitors, who play in the second division of the Severn Valley Petanque League, brought a strong side, but Honiton eventually ran out 6-2 winners in a highly competitive match.

Honiton led 3-1 after the first round of triples and doubles, then repeated the score in the second round with solid performances by all the team.

"After starting the season with three very close defeats in the Devon League this win was important to give the team some much needed confidence," said captain Chris Bigmore.

"It's a good feeling to chalk up our first win and every player contributed," he added.

## Win for Dursley

ROUND three of the Summer League at Dillington Pond was fished in bright and sunny conditions but the venue still fished really well.

**Sections**; A – Steve Parker (Ilton) – 9lb 11oz, B – Jamie Rich (Against Men and Fish) – 11lb 10oz.

WE'RE halfway through the season but because of fixture rearrangements there is a discrepancy in the number of games played, with Flamingos having completed five of their six fixtures, and with five wins and a maximum 25 points they are the team to beat.

They completed their fifth win with a victory over Beer Blazers by 33-16, with Beer just missing out on a point by a single goal.

Lisa Pemberton was the star of the show for Flamingos whilst Melanie Manville lit up the Blazers.

Sidmouth Toucans made it three wins from four starts when they met Tip Top Trees Acorns.

Their 22-18 win saw Acorns gain a point but Toucans did enough to move back into second place on goal difference, with Acorns holding onto fourth spot from Tip Top Trees Oaks.

Toucans player of the game was Danni Walters whilst Molly Simpson was the Acorns stand out player.

Oaks' second victory of the campaign saw them move up to fifth thanks in part to good play from Jess Jeffrey whilst Lizzie Roberts had a good game for Otter Valley in their 18-24 defeat to the Oaks.

Otter Valley are still at the foot of the table looking for their first win.

Ford & Pentecost Panthers were the biggest climbers of the week, jumping from 14th to 8th, thanks to their 36-11 win over JD Tyres.

This was only the Panthers second start of the campaign and they became one of five teams on six points, but the one with the best goal difference. Isla quick was the stand out performer in this match.
